Our Mission

Eckley Miners' Village engages diverse audiences by preserving and telling the story of anthracite coal mining, the social and physical history of patch towns and their residents, and the evolution of regional culture.

Eckley is one of 24 historic sites and museums administered by the Pennsylvania Historical & Museum Commission as part of the Pennsylvania Trails of History.

Nonprofit Partner

Donations to Eckley are managed by our fiscal sponsor: the Pennsylvania Heritage Foundation (PHF), a 501(c)(3) nonprofit organization and a partner to the Pennsylvania Historical & Museum Commission.

History from below.

Eckley Miners' Village tells the story of the Pennsylvania mining families who fueled America's industrial rise.

Founded in 1854, Eckley is the *only* preserved 19th-century patch town and one of the most intact historic mining communities in the world.

It takes a village.

Our special events attract thousands of visitors each year, keeping alive the Coalcracker culture of ordinary working people and supporting Eckley's preservation and educational programming.

As we mark the museum's **50th anniversary** in 2025, we invite you to join us as a valued sponsor. Your tax-deductible donation honors the people power behind American industry and shows your friends, family, clients, and employees that you're invested in our region's shared history and future.

2025 Event Schedule ➡

June 14 & 15 - Patchtown Days

For 35 years, our flagship event has celebrated anthracite heritage through living history, live music, cultural performances, and more!

July 12 - Hooch Wagon Brew Fest **NEW**

Named for the traveling salesmen who wetted the whistles of Eckley residents, this event showcases the Coal Region's flourishing craft beer tradition with brewers from across NEPA.

August 23 - Porchfest **NEW**

Enjoy the anthracite fields' finest musicians—and pick up a mining tune or two—as we observe International Play Music on the Porch Day.

Sept. 6 - Letterboxing Day

Join our 50th Anniversary scavenger hunt and explore every nook and cranny of our 90-acre village. It's a fun, immersive way to discover Eckley history.

Oct. 11 & 12 - Tales from the Mine
